Int. Filing Date: 20 February 2006	:	DECISION
Priority Date: 10 March 2005	:	
Attorney Docket No.: 294085US8PCT	:	
For: Battery Residual Quantity Display	:	
Method And Electronic Equipment	:	

This is in response to the "Request For Reconsideration" filed on 23 November 2009.

DISCUSSION

In a Decision mailed on 20 October 2009, it was noted that

Review of the record reveals that a dual-language declaration was filed on 10 January 2007. Inspection of said declaration reveals that it does not appear to have been made on a form provided by the USPTO, and that the statement required under 37 CFR 1.69(b) has not been provided. As such, it would not be appropriate to accept the declaration at this time. In addition, the surcharge under 37 CFR 1.492(h) has not been paid.

In response, it is noted that this application was issued as patent no. 7,619,536 on 17 November 2009. As such, it would not be appropriate to further consider the merits of the "Request For Reconsideration" filed on 23 November 2009 at this time.

DECISION

Applicants' request is **REFUSED as untimely**, without prejudice.

Please direct any further correspondence with respect to this matter to the Assistant Commissioner for Patents, Mail Stop PCT, P.O. Box 1450, Alexandria, VA 22313-1450, and address the contents of the letter to the attention of the Office of PCT Legal Administration.
